What is the process:

The following process relates to complaints that are submitted to UTI International and/or its subsidiaries.

When we receive your complaint, we will write to you to acknowledge your complaint within 2 business days upon receipt. We will review your complaints and investigate your concerns. We will provide a written interim and/or final response within 20 business days from the date of receipt. Where more time may be required for us to conduct the investigation, you will be notified accordingly.

Our investigation includes, where applicable, retrieval of all correspondences, files and documents related to your case. Where required, relevant parties may be interviewed. Available evidence will be measured against applicable regulatory requirements and/or internal policies and guidelines.

In the event you remain dissatisfied with the outcome of your complaint, you may refer your complaint to the relevant Ombudsman authority of each jurisdiction.
